Greetings, Sir Knights:

We have now entered into a new calendar year and with any "NEW" there is always anticipation. I hope that each Sir Knight will have a happy and prosperous year. I further hope for prosperity for all of Masonry as we prepare for Grand sessions for the Grand Lodge and for the York Rite.

December was an extremely busy month filled with installations and other bodies meetings. In all of the "hustle and bustle" it becomes all too easy to forget why it is a celebratory month. We find that January has a decline in activity and enthusiasm. We must strive to make sure that we are encouraging and assisting new officers and new members as they get their feet set upon a new path.

I hope that each of you have marked your calendar for our Grand Session on March 8 and 9. You will be getting information and more importantly a registration form. We will be using a new format for our meals. Your Lady is strongly encouraged to attend as there will be a program for them and I assure them that the Ladies will make many new

friends and be made to feel AT HOME. We will be seeing new leadership installed and begin a continuation of that which is working as well as additions of programs that will assist us in our improvement of York Rite Masonry.

As I am seeing the end of my year draw near, if I have not made it known to each of you how much I appreciate this honor of serving you as Grand Commander, then now you know. I use the term serve because that is what we as Masons in general are to do and as Christian Masons we have been given the ultimate example in the life and sacrifice of our Savior and Redeemer Jesus Christ. May God continue to bless each of us throughout this year. May brotherly love prevail and strengthen us.

Yours in HIS service,  
 Wm. Paul Wilson  
 Grand Commander
